Past History

The Forest High School was built in 1890 and opened its doors to students on January 1, 1891. When fire destroyed the original section of the school in February of 1940, it was necessary to begin a new building programme. Classes were then held in the town hall. During the year of 1947 the Forest District High School was formed consisting of surrounding townships and villages. Over the years accomodations began to overcrowd necessitating a further building edition. A new wing was completed in 1966, and the school name became North Lambton Secondary School.

Construction began once again in 1970 and the new edition was completed in 1973.

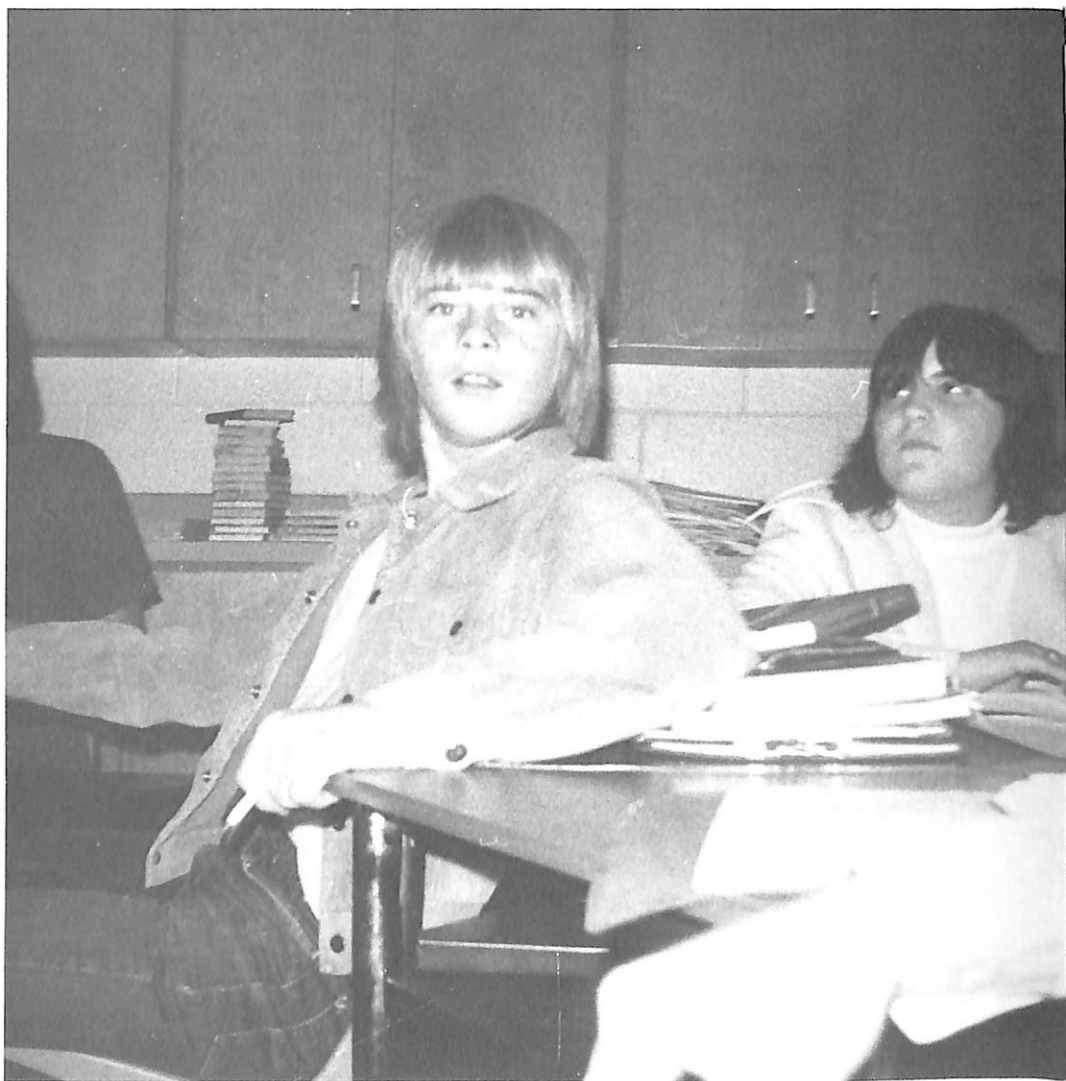

Ever since 1953, our school has had an Aurea Vincula. This year we are publishing our twenty-third volume. Hopefully, it won't be the last, but, co-operation from the student body and the teachers is badly needed if there is to be a Yearbook in 1976.

Yesterday Once More

All my best memories
Come back clearly to me
Some can even make me cry
Just like before,
It's Yesterday Once More.

ACTIVITIES

The Spirit of '74

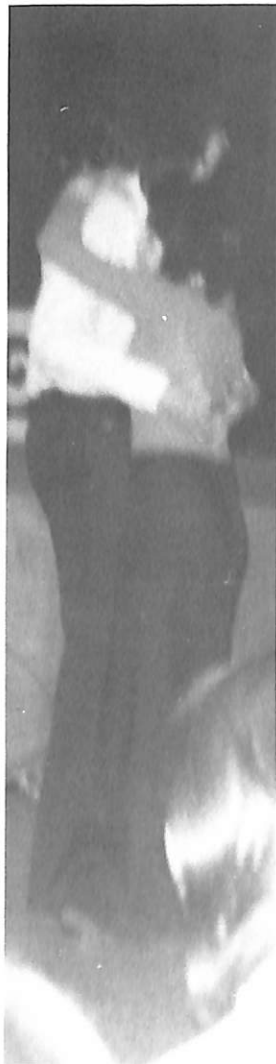

Spirit Week was kicked off this year with a Friday night dance October 3, featuring a band called "ROSE". The dance was very successful in the eyes of all attended, and who watched the crowning of Frosh Sweetheart.

Next Monday night Oct. 6, found the Grade 13's guiding the Grade 9's through the halls introducing them to all of N. L. S. S. 's extracurricular activities. After the tour all went to the back campus where they enjoyed weiners roasted on a bonfire.

Cream your S. A. C. representative was next on the menu. This activity found the Grade 9's creaming the S. A. C. rep's with shaving cream.

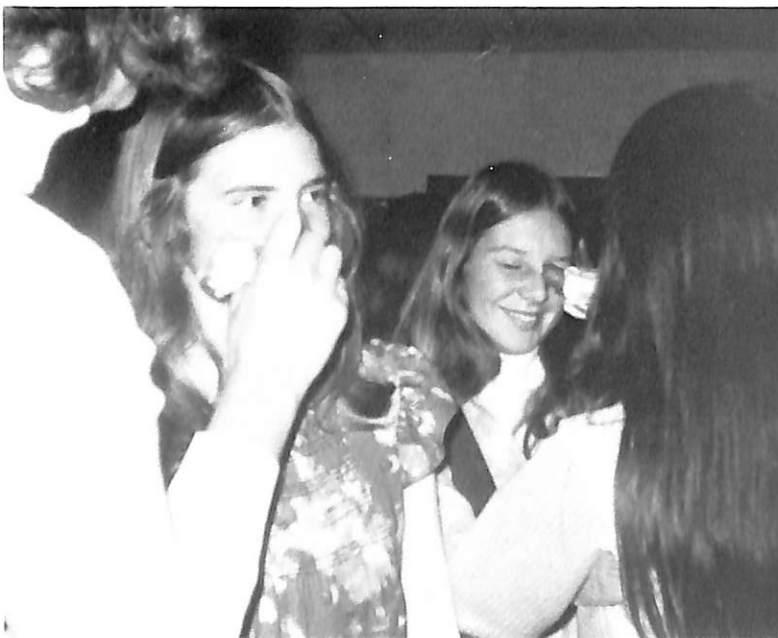

On the following Wednesday night, students of the various House Leagues came to Sports Night to support their team. The Flintstones pulled off a surprising victory.

The assembly on Thursday, October 10, was basically aimed to initiate the newcomers of N. L. S. S. The Grade 13's were in charge of initiating the Grade 9's and the new teachers fell prey to the old teachers' discretion. There were a lot of laughs and numerous incidents caused the mirth and vitality N. L. S. S. 's spirit is known for.

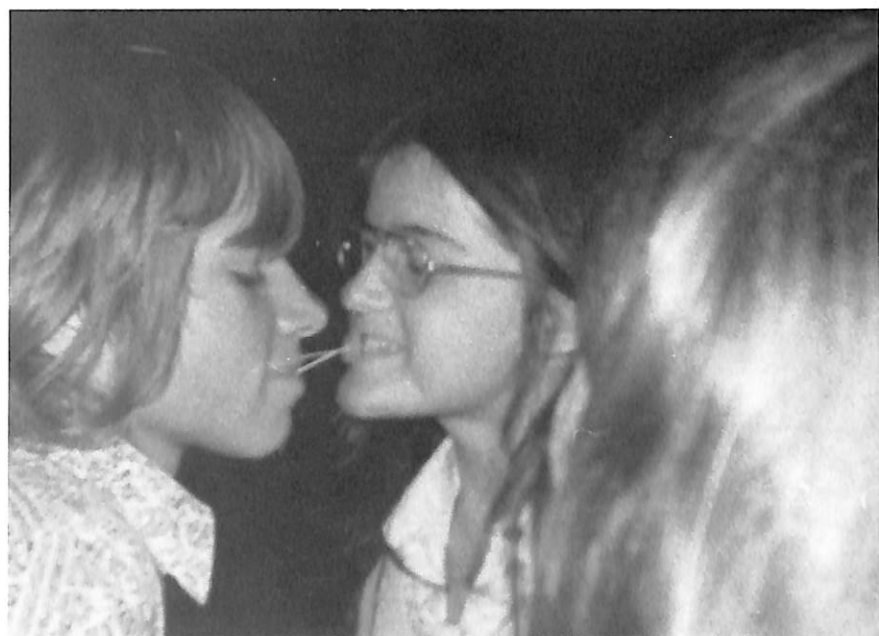

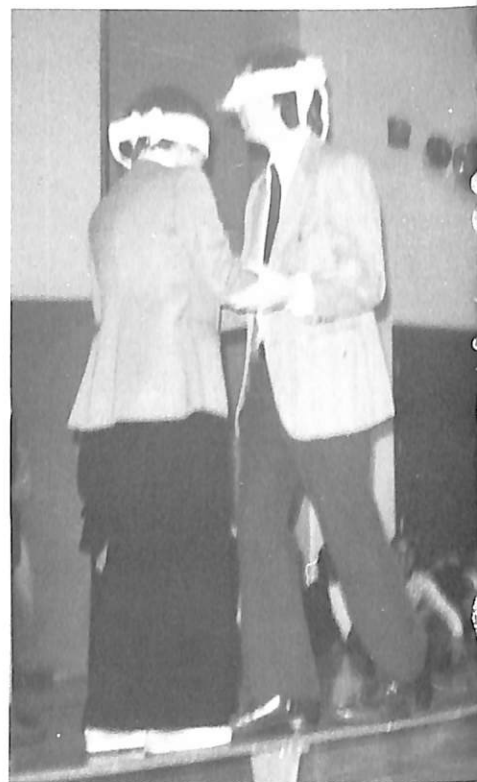

LEFT TO RIGHT, Top to Bottom: Grade 9's are initiated by the grade 13's. Rocky Vaseline and his Oilers slide into the gym. Sheila Elliot collecting Frosh Sweetheart votes at the dance. S.A.C. president, Don Pearson, dances with the Frosh Sweetheart, Carlene Wilde, after crowning. Brian Cable and Joy Douglas appear quite experienced in this field. The Grade 9's thoroughly enjoyed creaming their S.A.C. representatives.

LEFT TO RIGHT, Top to Bottom:

tion. Fun and games at Sports'
Night. Love those legs! Our

missive grade 9's noses bright red

race. Miss Wilson and Mr.

with the rest. Tense competition

heart, Carlene Wilde. Mrs. Girard
and Mr. Tricker display their balanc-
ing talents at initiation. The grade
thirteens scrambling for their shoes.
The creamed feet of two of the un-
fortunate S. A. C. representatives.

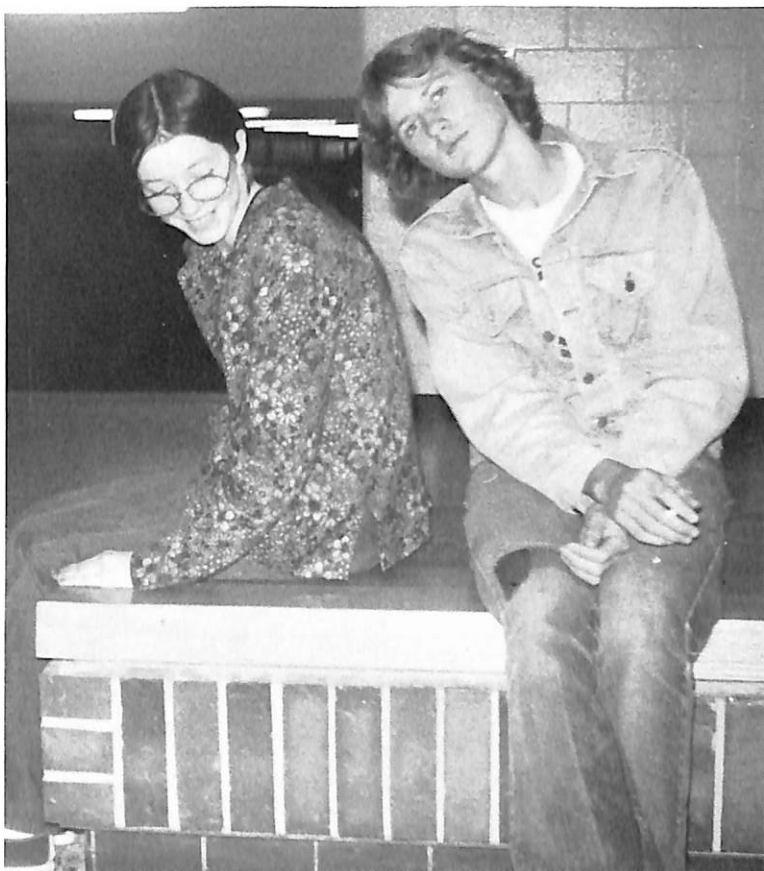

Frosh Sweetheart

A new contest was initiated into Spirit Week this year exclusive to grade nine girls. One girl from each Year 1 homeroom was selected by her male classmates to compete for the position of Frosh Sweetheart. The candidates chosen were: Nancy Mackenzie, Cheryl Calcutt, Phyllis George, Martha Bressette, Maria Sepata, Sally Brand, Shirley Zavitz, Joanne Burch, Laurie Anderson, Brenda Liley, and Carlene Wilde. Those attending the dance Friday night were eligible to vote for the candidate of their choice. During intermission Carlene Wilde was elected as the Frosh Sweetheart for the 74-75 school year. She received a dozen yellow roses and a free pass to all school activities throughout the coming year. Because of the success of the Frosh Sweetheart contest we hope to see it continued in future years.

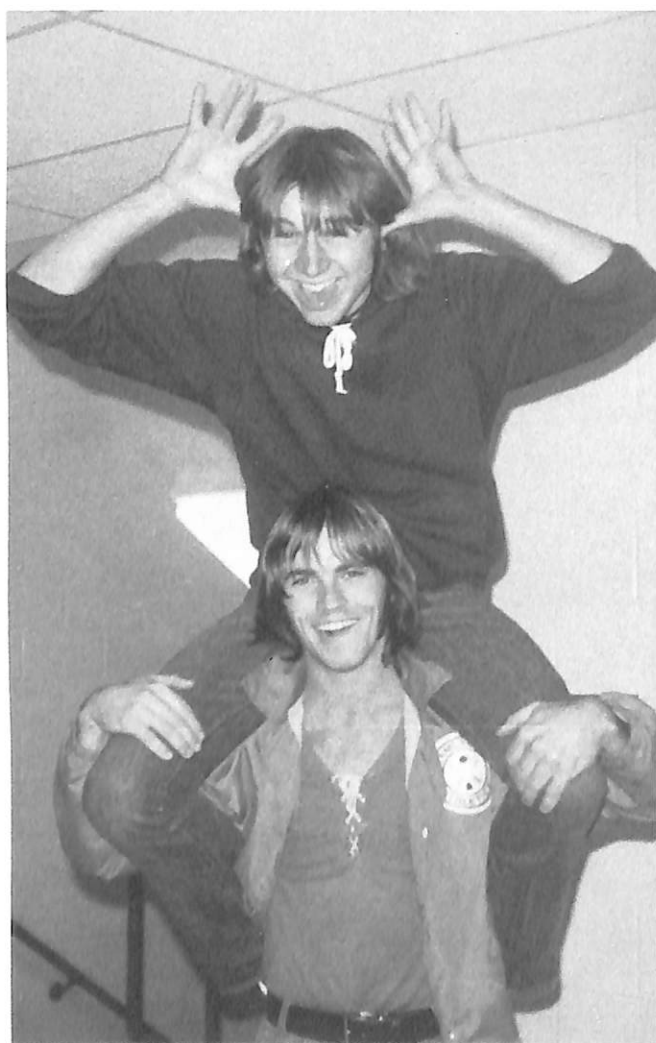

Trials and Tribulations of NLSS.

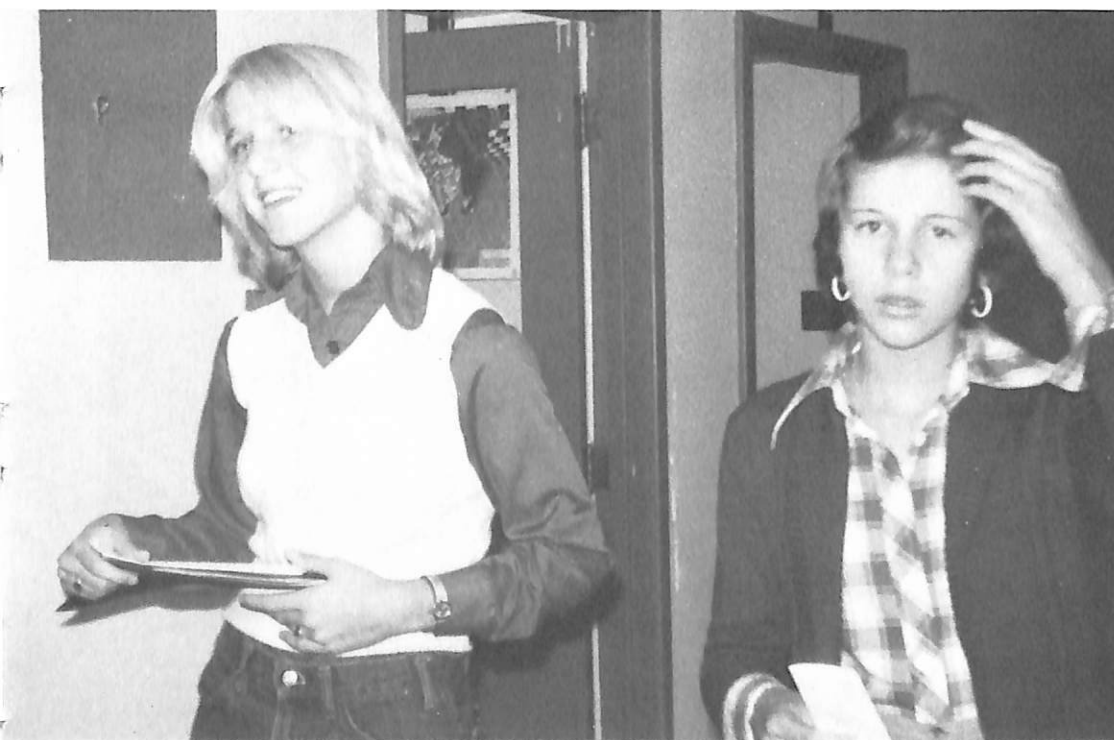

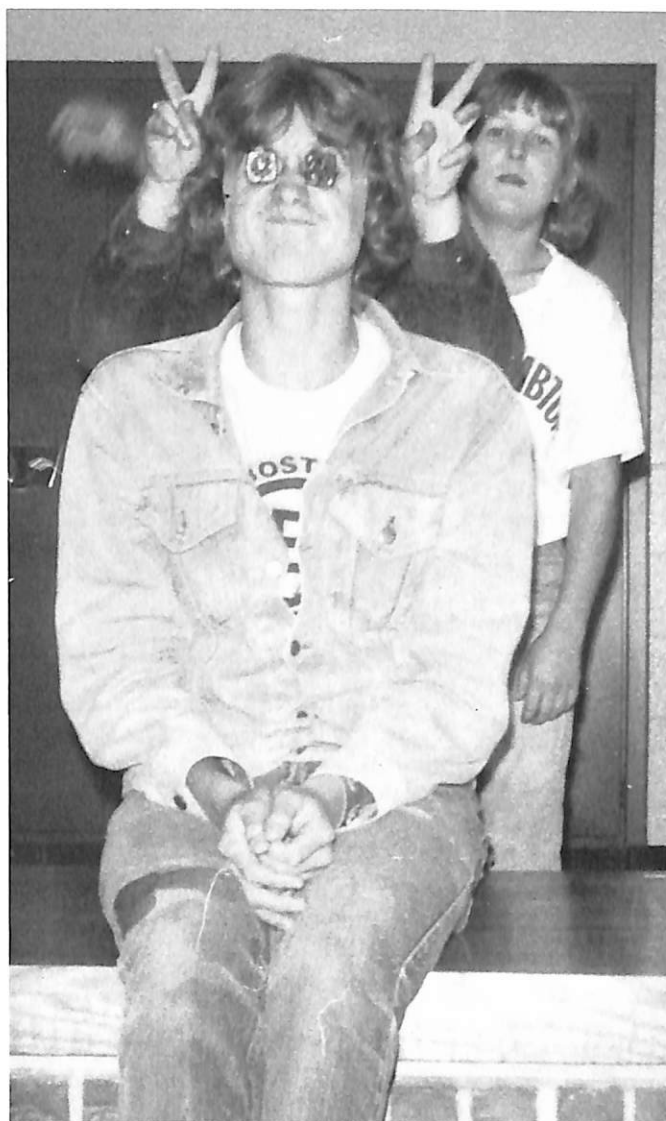

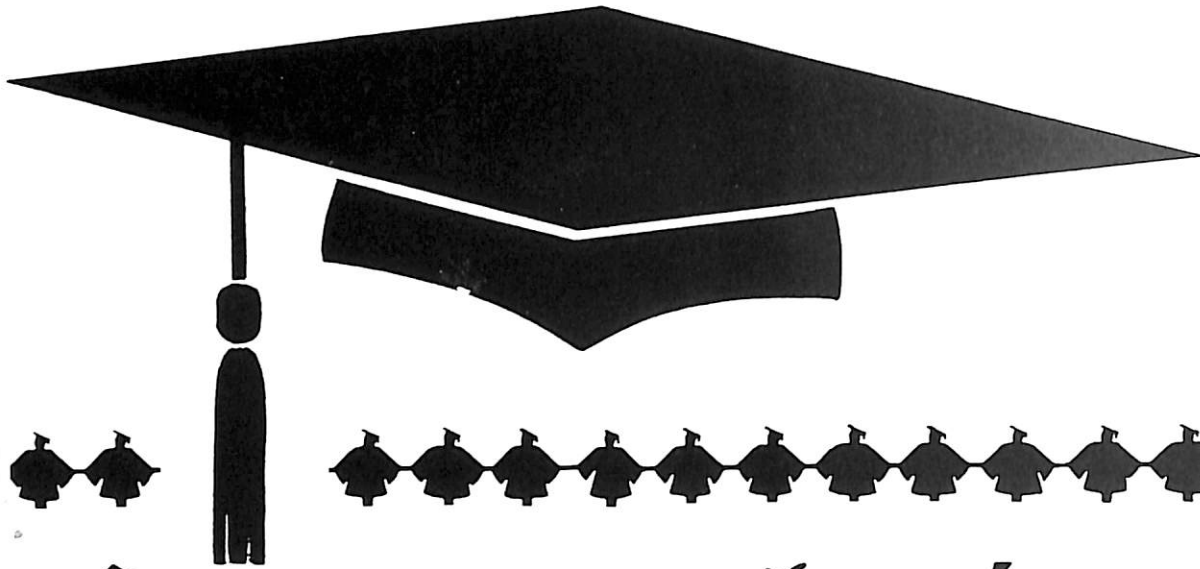

LEFT TO RIGHT, Top to Bottom: Ellen and Darlene eating in the cafeteria. Hey Malcolm, how did you do that? Cathy Matthews surprised at her work. Photographer interrupts Tim Marsh during a quiet study. Typical grade nine class. School is finally done; time to go home. Grade 10 Science class listening attentively. Two on a bench. Getting a few pointers from Miss Wilson.

You've got a Friend

LEFT TO RIGHT, Top to Bottom: Steve Marsh showing great interest in school work. Two on a "bug". Sally Hayter and Danny Douglas pose at back of school. Barb Bressette seems deep in thought. Ron Core with some added features. Tom Brown and Clare Sutton performing feats of high skill and daring. Darlene Vanden Eynde in the Home Ec. room. Year I physical education class warming up. What makes Cindy Beernink happy seems to frustrate Ellen Vanden Bygaart.

Dixieland

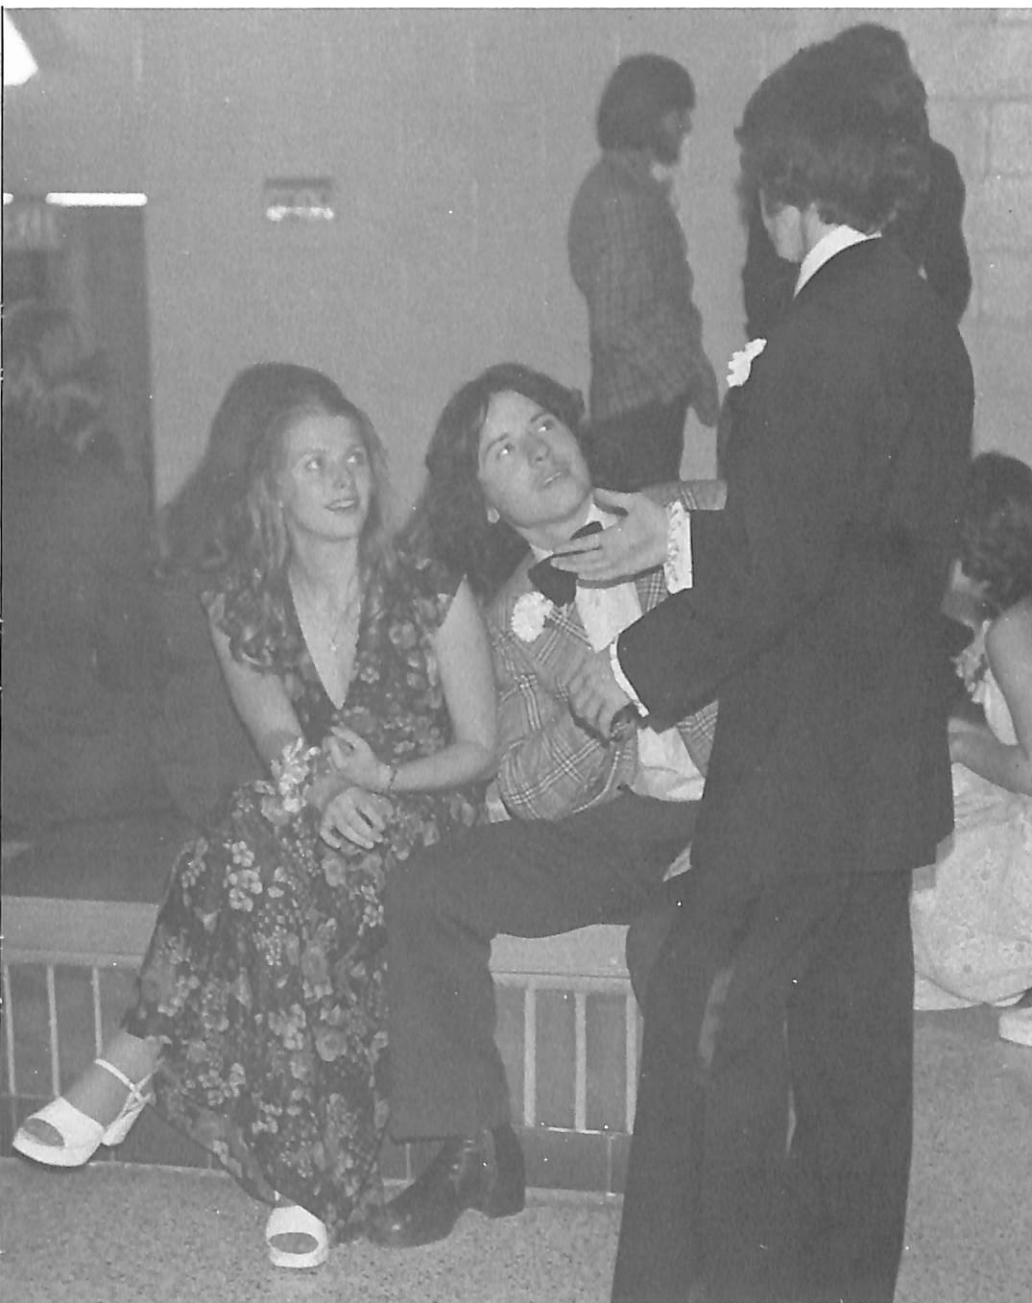

PREPARING FOR FORMAL

A southern accent was present at our formal dance "Dixieland" held on May 3, 1974. The cafeteria, decorated with red, blue and yellow roses on white rose trellises, gave a romantic feeling to the many couples who attended.

The students worked very hard to prepare this formal, using their creative skills. The Queen's throne was enclosed within several columns lighted to add a colourful touch.

The crowned Queen for the year 74/75 was Ruthie Clarke. The surrounding princesses were Lorraine Carson, Rita Vanos, Laima Barkauskas and Anita Vanden Eynde.

LEFT TO RIGHT, Top to Bottom: Julie Beernink adds her artistic touch. Anne Marie and Cam appear to be having an enlightening conversation. Wanna boogie? Look out below! Paul Southen, Rob Siddall and Don Pearson preparing for the formal. Anita Vanden Eynde and Mike Fraleigh trip the light fantastic. Girls preparing the cafeteria. Many hands make light work. Laima Barkauskas and escort.

LEFT TO RIGHT, Top to Bottom: Ruthi and candidates. Lorraine and Tony dancing. The winner is Why is Ruthi so surprised? Charlie Moons goes all out for the formal wearing top hat, white gloves and cane. Ruthi Clark our Dixieland queen, and her court.

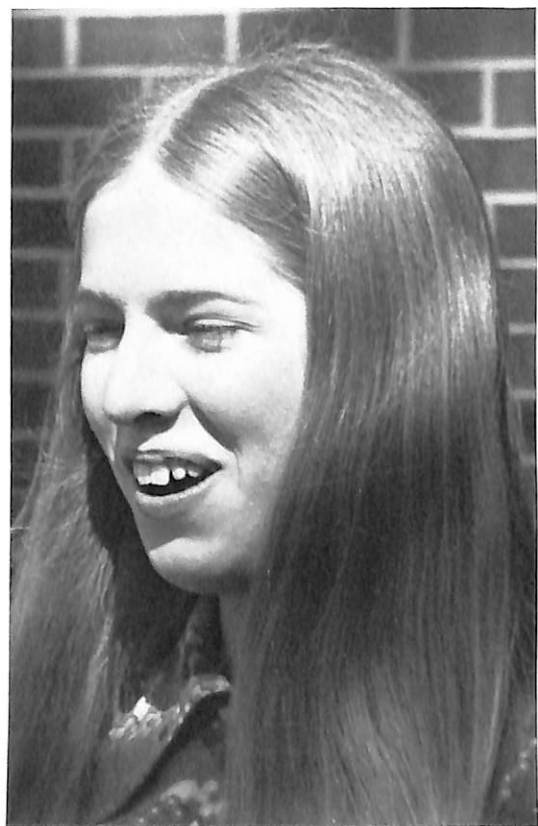

The New Queen

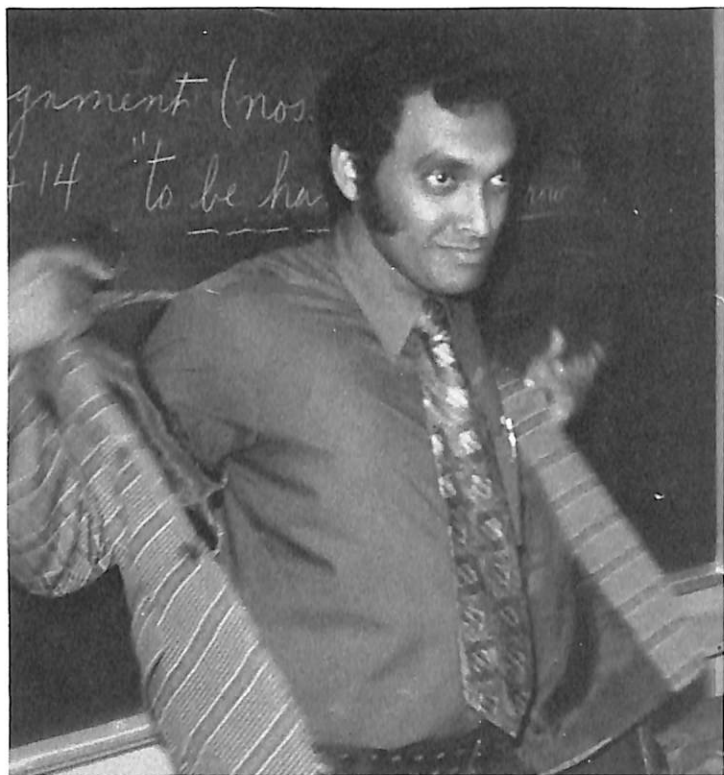

RUTHIE CLARKE--THE NEW QUEEN

Ruthie Clarke, a brown-eyed brunette, was actively engaged in many school activities. Through her debuts in many Drama plays and skits, she has become a well-known figure. Ruthie found time to serve in school affairs. She was a part of the Student Affairs Council for four years. Aside from all this, Ruthie was on the Curling Team.

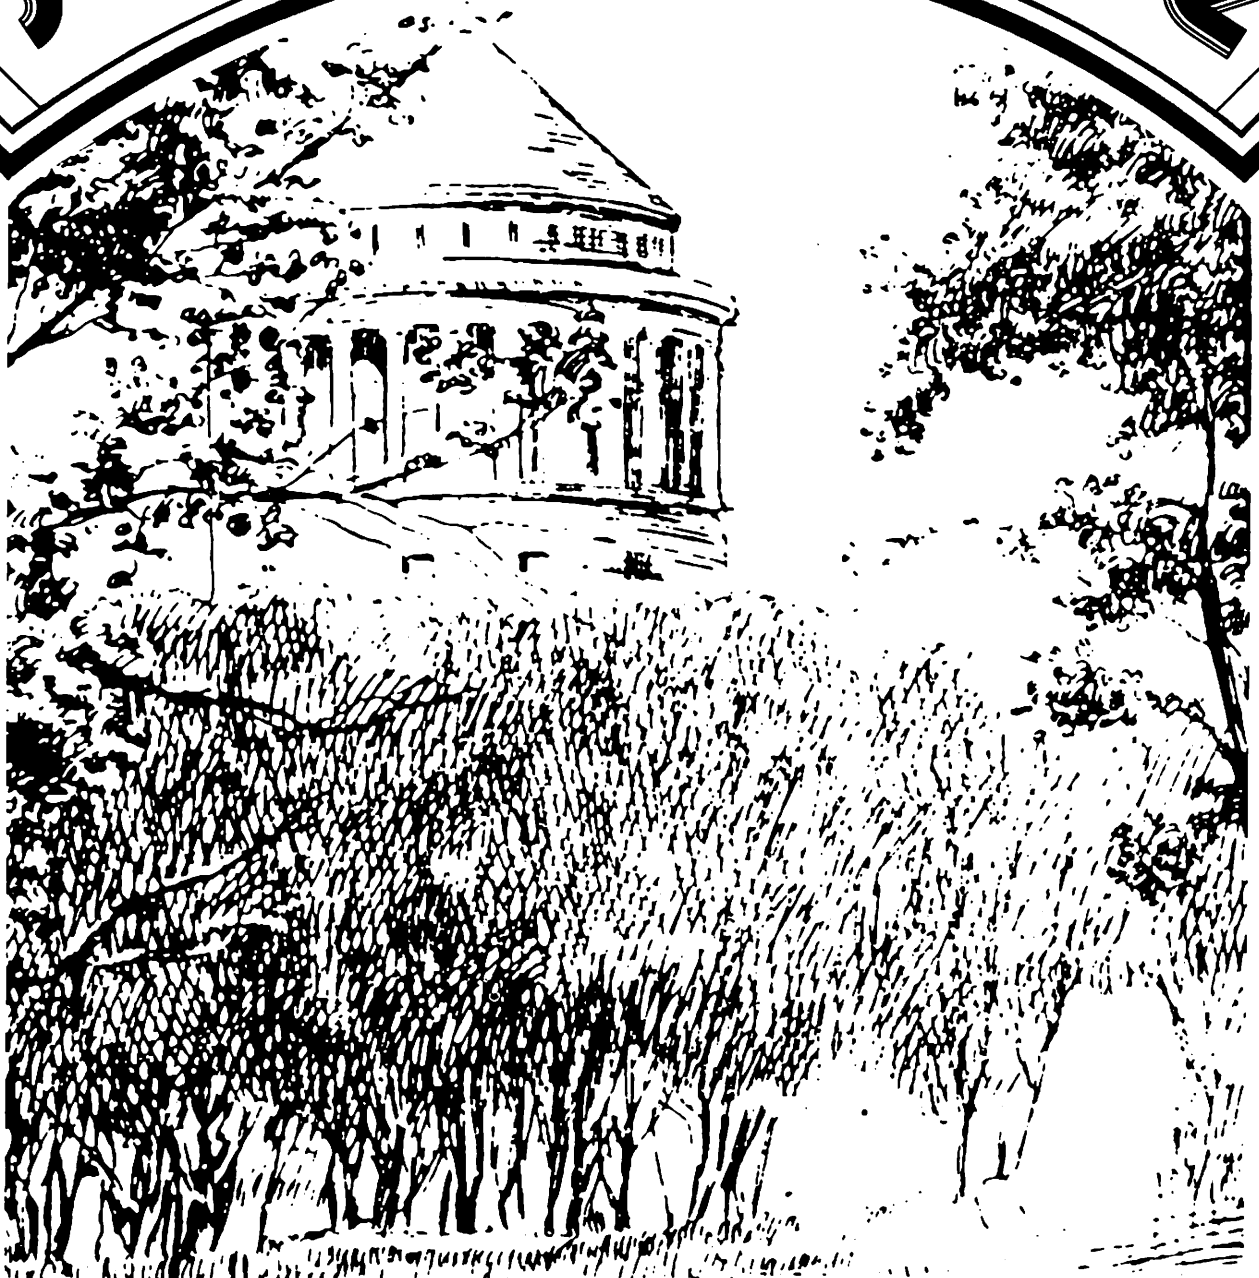

Presently Ruthie attends L. C. C. V. I. (Petrolia) in a business course.

Ruthie was a Queen well deserving of her title.

ADMINISTRATION

Principal's Message

As an instant replay in the School Year 1974-75, this fine Yearbook has captured many of the fun moments we have experienced. The Yearbook Staff has emphasized candid pictures rather than formal posed photos and the result is very much characteristic of North Lambton's informal, relaxed way of life.

Behind the scenes of such a book there are thousands of hours of plans, work, joy and tears in the activities pictured here, though in years to come only the joy of being involved will remain. Congratulations to the Aurea Vincula Staff for your fine efforts in capturing the highlights of the year on film; to the Teaching Staff for guiding and motivating these activities, and to the Student Leaders who have planned and worked so well to make school life so much more than just classroom learning.

To the graduates we wish continued success and self-satisfaction and hope that you will come back to visit us over the years.

To those who did not take part in any activities this year, I hope that this Yearbook will show you that INVOLVEMENT is the key to making the Secondary School years some of the best years of life.

Sincerely,

J. R. Marshall,
Principal.

President's Message

As president of the Student Affairs Council this year I would like to thank the Students, staff and custodians of N.L.S.S. for their contributions in making North Lambton the friendly school that it is.

As president I believed my role was to maintain the traditions, develop extracurricular activities, and to encourage student participation and thus school spirit at N.L.S.S. I hope I have succeeded in this task.

At a student leadership conference last September held by the Lambton County Board of Education the discussions revealed that N.L.S.S. far out distanced the other Lambton schools in many respects. There are some problems yet to be solved so we as students should put forth our very best to resolve these and thereby enhance our position in the County. I hope you have found this year as meaningful as I did.

On behalf of the representatives of the 1974-75 council I would like to thank you, the students for making it all possible.

Thank you

Don Pearson

Editor's Message

Through the editing of the 1974-75 yearbook, we tried to make our annual even better for recalling high school memories.

We decided on the theme of "Changing Times." Although we kept the book the same size containing 104 pages, we returned to purple and white covers and included a little more information of past school events. Also we added colour liners, divider pages and artwork.

Many hours are spent planning and working together to produce a successful yearbook.

At this time I would like to thank all members and staff advisor, Mr. Scott for their never-ending support.

Also I would like to thank our photographers, Gregory Studios, for their fine student pictures and co-operation during my year as editor.

I have really enjoyed being the editor of our school yearbook. I feel the experience of creating this yearbook is invaluable as it has been rewarding and self-satisfying for me.

We hope that this 23rd edition of Aurea Vincula will mean a special something to all students who own one. Thanks to everyone involved in the production of the 1974-75 Aurea Vincula.
